## Housing Updates

### Rental Vouchers

After careful consideration to dissolve the Rental Voucher program, the recipients under the IHBG grant will be receiving their last rental vouchers in March 2026. All rental voucher recipients and landlords have been notified of the timeframes above and that the recipients will be responsible for their full months rent. We do have a Wellness Program available to help with resources or budgeting that we can refer interested recipients to.

We understand changes like this can be challenging, and we are committed to supporting recipients through this transition.
